UDOT I-15 CORE to Hold Open House Sept. 16 for Spanish Fork Residents

Attendees to learn about construction schedule, design for the new Main Street/U.S. 6 interchange and other project-related items

LEHI, Utah (Sept. 13, 2010) — The UDOT Utah County I-15 Corridor Expansion (I-15 CORE) will be holding an informational open house at the Spanish Fork Fairgrounds' High Chaparral Room, 475 South Main Street, on Thursday, Sept. 16, from 5:30 to 7 p.m.

Topic of discussion will include the construction schedule, phasing and design for the new Main Street/U.S. 6 interchange in Spanish Fork. In addition, sound walls, road access and other project-related items will be addressed. Project representatives will be available to answer questions and address any concerns regarding the project.

The I-15 CORE open house in Spanish Fork is aimed to help residents and businesses stay informed of the project in the Spanish Fork area and to help them plan ahead for any potential delays or limited access. Participants will learn how to TravelWise by carpooling, telecommuting, using alternate routes and shifting travel times. The project goal is to reduce the current number of cars in the I-15 CORE construction area by 20 percent.

The public can stay informed by signing up for project-wide weekly e-mail updates at udot.utah.gov/i15core, following the project on [facebook.com/i15core](https://www.facebook.com/i15core) and twitter.com/i15core and receiving text updates by texting "i15core" to 53535.
